Save up to 7¢ per gallon!

two great programs to meet your business needs!

got a fleet?

getGo fleet card is your solution!

Whether your fleet operates regionally or drives your business further, GetGo fleet card delivers savings and control tools that put fleet managers in the driver's seat!

get savings

The more you fuel at GetGo®, the more you save with one of the best rebate programs in the industry — up to 7¢ off per gallon.

get convenience

The GetGo fleet card is accepted at all 200+ GetGo locations throughout the region. Plus, fleet card universal cardholders gain access to a network that includes 90% of all fueling locations nationwide and over 45,000 service merchants – anywhere Wright Express is accepted.

get peace of mind

We protect your fleet's security by issuing each driver a unique ID number, required for all fleet transactions. Easy-to-use online controls enable fleet managers to customize transaction parameters — like fuel only, or fuel and service only — and help prevent unauthorized transactions, while prompt exception reporting flags possible misuse. Additional terms and fees may apply to some program features. Ask a sales representative for details.

get organized

Concise, consolidated reporting tracks fuel and service usage, month- and year-to-date fiscal savings, fleet efficiency data and exceptions to your company's fuel policy — while electronic tracking keeps paperwork to a minimum by eliminating the need to save receipts.

authorized driver rewards

Your drivers are the key to your success — and some of our best customers. So we're always looking for ways to reward them with special deals, like free coffee, fountain and frozen drinks or Giant Eagle bottled beverages inside GetGo with qualifying food, grocery or gift card purchase.*

We're thinking up new driver rewards all the time, so check GetGoCafe.com/GetFleet for a current list.

* In-store purchase required. Excludes purchase of fuel, tobacco, alcohol, price-controlled milk products [PA only] or lottery tickets.
